RE- Public records request

Dear Mr. LeVines:

In response to your public records request of April 30, 2013, the Department estimates it would take its fleet manager approximately one hour to compile the requested records concerning motor vehicles, for an expense of \$30.32 plus the expense of copies. The Department estimates that it would take an administrative assistant approximately four hours to compile the remaining records, for an expense of \$93.24 (\$23.31 x 4 hours) plus the expense of copies. Please send a check payable to the Plymouth County Sheriff's Department in the amount of \$123.56, and the Department will begin the process of compiling the requested records.

The Department reserves the right to withhold records which are related solely to internal personnel rules and practices of the government unit, where proper performance of necessary government functions requires withholding of this information. M.G.L c.4 §7 cl. Twenty-sixth (b). The Department further reserves the right to withhold investigatory materials necessarily compiled out of public view by law enforcement or other investigatory officials, the disclosure of which materials would probably so prejudice the possibility of effective law enforcement that such disclosure would not be in the public interest. M.G.L c.4 §7 cl. Twenty-sixth (f).

You have the right to appeal this determination to the supervisor of public records, pursuant to 950 C.M.R. 32.00 and M.G.L. c. 66 §10.

Sincerely,

Patrick C. Lee
General Counsel
